Other Skills:	Multilingual in English, Hindi, Gujarati

EDUCATION

Software Engineering Technology Advanced Diploma | Centennial College | Toronto, ON Sept. 2024 – Apr. 2026

- *Focus Areas:* Java Programming | Database Concepts (SQL) | C# Programming | Web Application Development | Data Structure and Algorithms | Testing and Quality | Mobile Application Development | Software System Design | Cloud Computing**:** AWS fundamentals

Bachelor of Engineering in Computer Science | Gujarat Technological University | Gujarat, India Jun. 2023

RELATED EXPERIENCE

Full-Stack Developer Intern

Enlightened Infosystems | India Jan 2023 - May 2023

- Developed, tested, and implemented new features for Java-based web applications, collaborating with senior developers to deliver reliable and scalable solutions.
- Troubleshot, debugged, and resolved software defects across the Software Development Life Cycle (SDLC), improving application stability and performance.
- Designed and optimized SQL queries in phpMyAdmin/MySQL to retrieve, update, and manage data across multiple relational database tables.
- Collaborated with cross-functional teams to analyze requirements, fix production issues, perform code reviews, and support application enhancements.

Web Development Intern

Adept Digitals Private Limited | India Jun. 2022 – Jul. 2022

- Developed and maintained responsive web pages using HTML, CSS, JavaScript, and Bootstrap, ensuring compatibility across desktop and mobile devices.
- Collaborated with senior developers to implement website features, troubleshoot UI issues, and improve user experience.
- Translated design requirements into responsive, user-friendly interfaces by applying modern web development best practices.

OTHER EXPERIENCE

Computer Instructor

LogicFusion Limited | Markham, ON Aug. 2026 – Present

- Deliver interactive programming and STEM lessons, teaching core concepts such as **variables, loops, functions, object-oriented programming, and problem-solving** through hands-on activities.
- Support students with coding projects and troubleshooting while simplifying complex technical concepts for different learning levels.

Customer Service Associate (Sandwich Artist)
Subway Restaurants | Scarborough, ON Jun. 2025 – Present

- Delivered excellent customer service in a fast-paced environment while handling multiple customer requests efficiently.
- Resolved customer concerns professionally while maintaining high service standards.
- Monitored inventory levels, reported shortages to the manager, and ensured products were properly labeled and organized.

Peer Mentor (Part-time)
Centennial College - Peer Mentorship Program | ON Jan. 2026 – Apr. 2026

- Mentored and supported students through one-on-one guidance, helping them adjust to college life and connect with campus resources at Centennial College.
- Conducted research on student engagement, career readiness, and campus-related topics to support mentorship initiatives and workshops.
- Strengthened communication, teamwork, leadership, and presentation skills through mentoring activities and project-based collaboration.

Peer Supporter (Part-time)
Centennial College - Centre for Accessible Learning & Counselling | ON Jan. 2025 - Dec. 2025

- Promoted and hosted various events and workshops for students related to wellness and accessibility services.
- Provided peers with supportive one-on-one and group-based connection, offering a listening ear and providing information and referrals to both internal and external resources.

EXTRA CURRICULAR EXPERIENCE

Hackathon Competitor | Centennial College, Toronto, ON Oct. 2024

- Worked under tight deadlines to create an app idea, user interface mock-up and functionalities of the app.
- Presented the idea to the judges, receiving positive feedback on creativity and technical specifications.

Open House Volunteer | Centennial College | Toronto, ON Jan. 2025 - Jan. 2026

- Welcomed and guided prospective students, families, and visitors throughout the campus, providing directions, answering questions, and ensuring a positive Open House experience.

Program Volunteer | Community of Law Society | Toronto, ON Dec. 2024 - Feb. 2025

- Managed visitors, checked tickets and distributed food packages within a food distribution program.
